The addition of Case Note Folders to the range further extends our product offering to the Medical Records Departments.

Each requirement varies greatly depending on the lifespan expected from the product. Gauge of board, no of dividers, type of the clip, with or without pockets, overlamination can be specified to suite your needs.

Each folder can be personalised using unique barcode labels, this offers a higher level of security to the product and greatly reduces the risk of the wrong notes being used.

Our 3 part quality Medi clip ensures the file remains securely fastened and prevents notes becoming lost.

We offer quality mount sheets that can be punched and included in the file along with

self adhesive clear pockets and Treasury Tags.

To complete the offering we also supply the Year labels in rolls of 1000.
