

INTEGRATED WRISTBAND SOLUTIONS

PM Labels Limited

PM Labels Limited; offering labelling and wristband solutions to the National Health Service

Safe Patient Identification

Meeting the guidelines outlined by the NPSA can lead to significant procedural changes and will involve all nursing staff.

The benefits of standardising the patient identification system are obvious, implementing the changes in reality prove more challenging.

PM Labels can offer you a total solution, integrating the new wristband printer with your Hospital/PAS system is fundamental in this process. We can integrate our solution with

any PAS system (iSoft ICM/ iPM, Meditech, Ascribe, McKesson etc)

Key benefits:

- **No changes to PAS system**
- **Fast turnaround**
- **Wristband conforming to NPSA guidelines**
- **Low cost solution**
- **Proven installations and references.**
- **Adult, Child and Neo-natal bands available**

We would welcome the opportunity to discuss your specific requirements and offer

you our expertise in implementing these new guidelines.

With over 10 years experience in the wristband industry PM are able to offer you the most commercially effective solution to your wristband printing needs.
