PM Labels Limited

PM Labels Limited; offering labelling and wristband solutions to the National Health Service

## PM have it BAGGED

A&E, Medical Records, Pathology, Haematology Pharmacy, Patient Property are all areas where polythene bags are needed.

From a small Sample bag to large Clinical Waste or Patient Property bags PM Labels can make a bag to suit your needs.

Film options are endless, a film thickness to suit the need, film colour can be made to meet your requirements.

Pockets can be added to the bag allowing forms to be enclosed, custom print and even sequential numbering or even barcoding can be added to the design.

The method of closure can vary to suit the application:

- Peel/Seal self adhesive
- Gripseal
- Plastic Handle

By adding a gusset to the bottom of the bag the capacity can be increased.

Write on panels, designated label areas are all features that you might want to consider when looking at designing a bespoke bags.

Not all bags are custom printed we offer a number of stock solutions for Pharmacy Dispensing, our dedicated NHS

website [www.nhslabels.co.uk](http://www.nhslabels.co.uk) will show you our stock polythene range.

As an addition to the stock program we also offer a full range of degradable polythene bags. The eco poly jacket product offers distinct environmental benefits over above more conventional polythene materials. The range is available in 7 sizes; details are on the website.
