

SECURITY SEALS

PM Labels Limited

PM Labels Limited; offering labelling and wristband solutions to the National Health Service

Security Assured

The issue of security and traceability has never been more important and the NHS is no exception.

Our range of seals will offer you the confidence that any clinical waste can be controlled securely and traced efficiently.

Our cost effective nylon cable tie is available in a full range of sizes and colours. For an increased level of security we can print sequential numbers on the seals.

The slightly more robust Pull - Thru seal is a one piece plastic moulded product with an additional tab offering an area for your Hospital name, sequential numbers or even barcodes. These seals are available in a range of 9 colours and various lengths.

Our hot stamping print process debosses the surface of the seal making the print tamper evident. We can also offer a white "write on" panel if needed allowing dates and

times to be added to the seal at the point of collection.

To view the whole range of NHS products that we offer please visit www.nhslabels.co.uk Call us on FREEPHONE 0500 503350 and speak to either Andy or Leonie, alternatively email them at andy@pm-labels.co.uk or leonie@pm-labels.co.uk
